

Draw a Line Matching The Animal With Its Description?

- | | |
|----------------|--|
| a. Deer | I live in trees and love to eat acorns and other nuts |
| b. Raccoon | If you see me, watch out. I am black and white, and kind of stinky |
| c. Skunk | I build my home in ponds using trees |
| d. Opossum | I live in the forest and can jump very high |
| e. Woodpecker | I have stripes and like to dip my hands in water before eating |
| f. Mole | I have a long tail, am grey, and usually am seen only at night |
| g. River Otter | I have long ears and am very fast. Sometimes I can also be a pet. |
| h. Squirrel | I live underground. But I leave mounds to let you know I am here |
| i. Beaver | I have a strong beak, and make a tap tap tap noise on trees |
| j. Rabbit | I love to play on my back in the water near rivers and oceans |
