Rat Abatement Declaration for Demolition Projects

Permit No. _____

I understand I am required to begin a rat abatement program before starting any work involving clearing, grading, or demolition on the project site. I declare that I have complied, or I will comply, with the requirements of Section 3303.15 of the Seattle Building Code for rat abatement.

- The rat abatement program for the site as approved by a licensed pest eradication company is attached.
- This program complies with any guidelines and recommendations adopted by the Washington State Department of Agriculture for the use of pesticides.
 - The program will begin at least 15 days prior to the start of any clearing, grading, or demolition. The program will continue at least until the start of demolition.

- I am submitting a written recommendation from a licensed pest control agent to support terminating or waiving the rat abatement requirement.
